Cheezy Mac

1

Cut top off and remove cheese blend mix

2

Bring 4 cups of water to rapid boil (salt if desired)

3

Add macaroni and cook 10-13 minutes or until tender. Stir frequently.

5

Do not drain. Add cheese blend mix

6

Stir until creamy. If mixture is too thick, stir in 1/4 cup of water and mix well. Add milk and butter if desired.

7

Ready to be served
