The "Feed the Backpacks" Initiative

We are addressing an issue impacting 36,000+ Duval County students. Our mission with the 'Feed the Backpacks' initiative is to provide nutritious meals weekly for food insecure and hungry children in our school district. The \$266,040 goal represents 18 currently participating schools.

Our ultimate goal is to provide a 4-serving meal for all 36,000+ Title 1 students and their siblings every weekend during the school year.
