3RD ANNUAL SILICONE SLOPES TECH SUMMIT

One Million Meals - Utah

The idea of a million-meal packing event is daunting, but when you combine the Silicon Slopes team with volunteers recruited by Silicon Slopes Serves and the Hunger Fight gang, the idea becomes reality.

Over three days time, participants were able to pack 1,019,760 meals for families supported by the Utah Food Bank. That's right, OVER a million meals! To say that the event was successful would be an understatement. During the event, pallets packed high with box after box of Hunger Fight meals were loaded onto trucks to make their way to the Utah Food Bank. This breathtaking sight left everyone involved in awe.
