We are addressing an issue impacting 42,500+ Duval County students. Our mission with the 'Feed the Backpacks' initiative is to provide nutritious meals weekly for food insecure and hungry children in our school district. The **\$312,912** goal currently represents **20** participating schools.

Our ultimate goal is to provide a 4-serving meal for all 42,500+ Title 1 students and their siblings every weekend during the school year.

With our newly launched program we will be making an amazing impact for the students here in our community.....

We are so excited about this program. We are happy to announce that we are currently working with schools in Duval, St. Johns, Columbia, Bradford, and Putnam Counties and are on our way to Clay, Alachua, Marion, Union and Volusia Counties. It is such a blessing to know that *"Together, we can make a difference!"*
