Our newly launched program has been amazing.....

We created this campaign for everyone to contribute at various impact levels. Be sure to review the ways you can make an impact and please share this with your family and friends.

The "Feed the Backpacks" Initiative

We are addressing an issue impacting 36,000+ Duval County students. Our mission with the *'Feed the Backpacks'* initiative is to provide nutritious meals weekly for food insecure and hungry children in our school district. The \$185,312, goal represents 13 currently participating schools.

Our ultimate goal is to provide a 4-serving meal for all 36,000+ Title 1 students and their siblings every weekend during the school year.
