Hunger Fight Partnering with FreshJax
Working together to end childhood hunger in our community

Jacksonville, FL — HUNGER FIGHT, Inc. announced today that it is partnering with FreshJax in the fight against childhood hunger. FreshJax is a Jacksonville, FL based family business that handcrafts organic spice blends. FreshJax donates a meal to a hungry child for every single gift box purchased at their website. Through it's collaboration with Hunger Fight, Hunger Fight will produce and distribute meals locally to children at risk for hunger.

"We are very excited and grateful for this new relationship with FreshJax," said Sherri Porter, Founder and Executive Director of Hunger Fight. "To partner with like-minded organizations who recognize and support the work we do addressing the issues of hunger in our community inspires us to continue making a difference in the lives of the children we serve."

"We LOVE that we're able to give back to the community that has given us so much," said Jason McDonald, CEO of FreshJax. "The FreshJax mission is to help with the fight against childhood hunger. With every FreshJax Organic Gift Set sold, we donate one meal to a hungry child in need. Kids are the future and we won't stop fighting until we end childhood hunger."
